2	Develop hiking groups for short day hikes year round.	11/5/2024 5:04 PM
3	A. Highlighting local park history in displays avail to the community. B. Outdoor, augmented reality activities/games.	11/5/2024 2:45 AM
4	Is there an outdoor ice skating area? If not, please. Cross-country ski/trails.	11/4/2024 7:37 PM

7	9 hole golf course	11/4/2024 8:29 AM
8	Swimming classes	11/3/2024 9:27 PM
9	I would like to see more at John Taylor Park. There is a big community around it and if it had an improved bathroom and playgrounds, we would go there all the time. Especially if there was a faster walking path, perhaps a cleared trail from the corner of Holbrook behind the church, rather than just the dirt road off Cedar and path to the sledding hill.	11/3/2024 3:33 PM
10	Bookclubs, sewing clubs, cooking classes or other opportunities for community members to creat things and connect.	11/2/2024 7:47 PM

18	Some indoor and/or rentable indoor space would be awesome. Especially for winter activities, group meetups and parties.	10/30/2024 9:40 AM
19	I would like to see changes to the rec sports league. We like it but after 2nd grade, they need to improve and level up. For those families who want to play the sports but not dedicate two seasons to play HJR. Youth sports can also be expanded to have clubs or just clinks for kids. Let them experience smaller versions of the sports. We love Delhi but now that my kids are older, I wish there was more available when they were younger.	10/30/2024 9:22 AM
20	Improve ped/bike connections along Holt Rd, and for Holt-to-Mason Trail just south of Holt Rd. Make these pathways 8-10' wide. Please consider any and all other possible ped/bike routes and connections	10/30/2024 8:02 AM
21	more trails are always welcome! Especially unpaved/wooded/wetland where you can see wildlife like turtles, go birding, see frogs and salamanders, etc. Even something with a small loop. Like Ted Black woods in Okemos. We also use the kids activity programs a lot and they are great.	10/29/2024 7:09 PM
22	Outdoor fenced dog park at John Taylor Park. Could charge a fee and use a fob system like Soldens. Dogs would have to be vaccinated and social. I have reached out to see if there was	10/29/2024 6:51 PM

any interest in Holt and there is. There are many dog owners in the Holt area.

23	More Benches strategically located at scenic view places along path. Thank you.	10/29/2024 5:10 PM
24	I'd like more activities for the general public. The kind of thing that the whole family can enjoy. Everything from my kids to my mom. And I would like there to be some information available at the park about what activities will be held there. I never know what activities are happening, where, and when. As far as I can tell there's virtually no advertising of what's going on in the parks. I'm never able to find information.	10/29/2024 4:22 PM

57	Pool access at either the high school or junior high	10/21/2024 9:27 AM

64	More walking trails	10/18/2024 1:13 PM
65	Please continue to develop the Multi-Use pathways. A path along Willoughby from college to Pine Tree would be really great as that currently seems very dangerous for anyone living in that corridor.	10/17/2024 7:03 PM
66	Workout equipment. More dog friendly	10/17/2024 5:59 PM
67	Down hill skiing	10/15/2024 1:55 PM

70	Volleyball courts	10/12/2024 3:54 PM
71	Adult climbing structures	10/12/2024 12:52 PM
72	This isn't the answer to this question but I'm not sure where to put it. I would love to see more recycling opportunities on parks and trails, and I think Valhalla park at least would benefit from signage reminding people about why they should pick up after themselves. No dumping in Maple Ridge cemetery (I do NOT mean the many well behaved dogs who visit the cemetery, I mean humans who dump garbage and leave liquor and beer cans around). Delhi Twp dog walkers near us are polite and always clean up so a return of the dog bag stations in the cemetery would be nice.	10/12/2024 11:13 AM

There is no place for families to go on hot summer days. I would love a connecting trail to the RiverTrail from Aurelius so we don't have to ride East to then ride West. You can't ride North on Aurelius over 96 - there is no bike lane. More benches on the Holt Ram Trail would be great. There are not enough for people with mobility issues. 12	I think more could be done for those with accessibility concerns. Interactive walkways, small/low to ground climbing structures, etc. Potter park zoo has a great climbing web that is low to the ground that is easy for most kids. The swings that allow an adult to swing with child would be really cool. Valhalla harnessed swings are really hard to release once a child is locked in and that might discourage some parents from using them. I'm able bodied and can barely unlock them.	10/30/2024 9:40 AM

50	I have a child with some special needs who benefits greatly from outdoor activities, but many of the parks are not stimulating enough. He loves the merry-go-round at Valhalla, but many other park play structures are aimed at very young children or children of low physical ability. He also loves the township basketball league and the annual Nerf battle (he wishes Nerf was twice a year instead of once), but he's starting to age out of those activities while not being able to participate in other teams. With the relocation of Bigby, we also lost an indoor place to meet up with people in the evening (the library isn't exactly made for chatting). Holt lacks an indoor place that is not a restaurant and which is open in the evening. We live in Delhi west of the high school and while we love the trail, there is no safe way for us to access the trail with our children without loading all of our bikes into a vehicle and driving. We would love if the trail went beyond the light at Grovenberg so we and our neighbors were able to access it.	10/11/2024 3:15 PM
